GREG ABBOTT, *ET AL.*,

DEFENDANTS.

CIVIL ACTION NO. 2:13-CV-193 (NGR)  
(CONSOLIDATED ACTION)

SUPPLEMENTAL DECLARATION OF CHAD W. DUNN

Pursuant to 28 U.S.C. §1746, I, Chad W. Dunn, declare that:

1. I previously submitted a Declaration with accompanying time records and expenses in support of the Veasey-LULAC motion for an award of attorneys' fees and expenses.
2. I hereby reaffirm the statements made in that Declaration as true and correct.
3. I am supplementing that original Declaration because I have revised my time records by eliminating some time for items that I am no longer seeking compensation, as further exercise of reasonable billing judgment. I have also added travel and other time to be consistent with other Plaintiffs' counsel and in compliance with authorities provided by the State in the meet and confer process. The accompanying time records and expenses (with available receipts) attached to this filing are true and correct, and are the ones that this Court should review in ruling on the pending Veasey-LULAC motion for an award of attorneys' fees and expenses.

I declare the foregoing to be true and correct.

Dated: July 15, 2019

/s/ Chad W. Dunn

- **Incorporated Terms** - Your travel is subject to United's Contract of Carriage terms. The Contract is available for inspection at any UA ticketing facility, [united.com](http://united.com) or by calling 1-800-UNITED-1. Passengers have the right to receive the full text of the terms incorporated by reference free of charge by mail or other delivery service. The Contract terms include rules about limits on liability for personal injury or death and for loss, damage, or delay of goods and baggage, check-in times, overbooking, security issues, reservations, denial of carriage, refunds, claims limits and restrictions, including time limitations for filing a claim or lawsuit, and schedule changes and irregularities. The [Contract of Carriage](#) contains further detail of these terms.
- **Additional Terms** - Depending on the rules applicable to the fare paid, one or more restrictions including, but not limited to one or more of the following, may apply to your travel: (1) the ticket may not be refundable but may be exchangeable for a fee with another restricted fare ticket meeting all the rules/restrictions of the original ticket (including the payment of any difference in fares); (2) a fee may apply for changing/canceling reservations; or (3) travel may be restricted to specific flights and/or times and minimum and/or maximum stay may be required.
- **Baggage Liability** - On domestic flights, United's maximum liability limit for checked baggage is \$3400 USD per passenger and United excludes liability for all unchecked baggage. - **ADVICE TO INTERNATIONAL PASSENGERS ON CARRIER LIABILITY** – Passengers on a journey involving an ultimate destination or stop in a country other than the country of departure are advised that international treaties known as the Montreal Convention, or its predecessor, the Warsaw Convention, including its amendments, may apply to the entire journey, including any portion thereof within a country. For such passengers, the treaty, including special contracts of carriage embodied in applicable tariffs, governs and may limit the liability of the Carrier in respect of death of or injury to passengers, and for destruction or loss of, or damage to, baggage, and for delay of passengers and baggage.
- **Notice—Overbooking of Flights** - Airline flights may be overbooked, and there is a slight chance that a seat will not be available on a flight for which a person has a confirmed reservation. If the flight is overbooked, no one will be denied a seat until airline personnel first ask for volunteers willing to give up their reservation in exchange for compensation of the airline's choosing. If there are not enough volunteers, the airline will deny boarding to other persons in accordance with its particular boarding priority. With few exceptions, including failure to comply with the carrier's check-in deadline which are available upon request from the air carrier, persons denied boarding involuntarily are entitled to compensation. *The complete rules for the payment of compensation and each airline's boarding priorities are available at all airport ticket counters and boarding locations. - **Incorporated Terms** - Your travel is subject to United's Contract of Carriage terms. The Contract is available for inspection at any UA ticketing facility, [united.com](http://united.com) or by calling 1-800-UNITED-1. Passengers have the right to receive the full text of the terms incorporated by reference free of charge by mail or other delivery service. The Contract terms include rules about limits on liability for personal injury or death and for loss, damage, or delay of goods and baggage, check-in times, overbooking, security issues, reservations, denial of carriage, refunds, claims limits and restrictions, including time limitations for filing a claim or lawsuit, and schedule changes and irregularities. The [Contract of Carriage](#) contains further detail of these terms.
- **Additional Terms** - Depending on the rules applicable to the fare paid, one or more restrictions including, but not limited to one or more of the following, may apply to your travel: (1) the ticket may not be refundable but may be exchangeable for a fee with another restricted fare ticket meeting all the rules/restrictions of the original ticket (including the payment of any difference in fares); (2) a fee may apply for changing/canceling reservations; or (3) travel may be restricted to specific flights and/or times and minimum and/or maximum stay may be required.
- **Baggage Liability** - On domestic flights, United's maximum liability limit for checked baggage is \$3400 USD per passenger and United excludes liability for all unchecked baggage. For travel within the U.S., United excludes liability for fragile, valuable or perishable items carried in all baggage including jewelry, computers, cash, camera equipment and similar valuables. If any of these items are lost, damaged or delayed, you will not be entitled to any reimbursement. You can declare excess valuation on certain baggage at the airport, additional fees will apply.
- **ADVICE TO INTERNATIONAL PASSENGERS ON CARRIER LIABILITY** – Passengers on a journey involving an ultimate destination or stop in a country other than the country of departure are advised that international treaties known as the Montreal Convention, or its predecessor, the Warsaw Convention, including its amendments, may apply to the entire journey, including any portion thereof within a country. For such passengers, the treaty, including special contracts of carriage embodied in applicable tariffs, governs and may limit the liability of the Carrier in respect of death of or injury to passengers, and for destruction or loss of, or damage to, baggage, and for delay of passengers and baggage.
- **Notice—Overbooking of Flights** - Airline flights may be overbooked, and there is a slight chance that a seat will not be available on a flight for which a person has a confirmed reservation. If the flight is overbooked, no one will be denied a seat until airline personnel first ask for volunteers willing to give up their reservation in exchange for compensation of the airline's choosing. If there are not enough volunteers, the airline will deny boarding to other persons in accordance with its particular boarding priority. With few exceptions, including failure to comply with the carrier's check-in deadline which are available upon request from the air carrier, persons denied boarding involuntarily are entitled to compensation. *The complete rules for the payment of compensation and each airline's boarding priorities are available at all airport ticket counters and boarding locations. Some airlines do not apply these consumer protections to travel from some foreign countries, although other consumer protections may be available. Check with your airline or your travel agent.*
- **Personal Health** - For important health tips before your flight, including information on a serious condition called [Deep Vein Thrombosis](#), please go to [united.com](http://united.com).

### IMPORTANT CONSUMER NOTICES

- **Incorporated Terms** - Your travel is subject to United's Contract of Carriage terms. The Contract is available for inspection at any UA ticketing facility, [united.com](http://united.com) or by calling 1-800-UNITED-1. Passengers have the right to receive the full text of the terms incorporated by reference free of charge by mail or other delivery service. The Contract terms include rules about limits on liability for personal injury or death and for loss, damage, or delay of goods and baggage, check-in times, overbooking, security issues, reservations, denial of carriage, refunds, claims limits and restrictions, including time limitations for filing a claim or lawsuit, and schedule changes and irregularities. The [Contract of Carriage](#) contains further detail of these terms.
- **Additional Terms** - Depending on the rules applicable to the fare paid, one or more restrictions including, but not limited to one or more of the following, may apply to your travel: (1) the ticket may not be refundable but may be exchangeable for a fee with another restricted fare ticket meeting all the rules/restrictions of the original ticket (including the payment of any difference in fares); (2) a fee may apply for changing/canceling reservations; or (3) travel may be restricted to specific flights and/or times and minimum and/or maximum stay may be required.
- **Baggage Liability** - On domestic flights, United's maximum liability limit for checked baggage is \$3400 USD per passenger and United excludes liability for all unchecked baggage. For travel within the U.S., United excludes liability for fragile, valuable or perishable items carried in all baggage including jewelry, computers, cash, camera equipment and similar valuables. If any of these items are lost, damaged or delayed, you will not be entitled to any reimbursement. You can declare excess valuation on certain baggage at the airport, additional fees will apply.
- **ADVICE TO INTERNATIONAL PASSENGERS ON CARRIER LIABILITY** – Passengers on a journey involving an ultimate destination or stop in a country other than the country of departure are advised that international treaties known as the Montreal Convention, or its predecessor, the Warsaw Convention, including its amendments, may apply to the entire journey, including any portion thereof within a country. For such passengers, the treaty, including special contracts of carriage embodied in applicable tariffs, governs and may limit the liability of the Carrier in respect of death of or injury to passengers, and for destruction or loss of, or damage to, baggage, and for delay of passengers and baggage.
- **Notice—Overbooking of Flights** - Airline flights may be overbooked, and there is a slight chance that a seat will not be available on a flight for which a person has a confirmed reservation. If the flight is overbooked, no one will be denied a seat until airline personnel first ask for volunteers willing to give up their reservation in exchange for compensation of the airline's choosing. If there are not enough volunteers, the airline will deny boarding to other persons in accordance with its particular boarding priority. With few exceptions, including failure to comply with the carrier's check-in deadline which are available upon request from the air carrier, persons denied boarding involuntarily are entitled to compensation. *The complete rules for the payment of compensation and each airline's boarding priorities are available at all airport ticket counters and boarding locations. Some airlines do not apply these consumer protections to travel from some foreign countries, although other consumer protections may be available. Check with your airline or your travel agent.*
- **Personal Health** - For important health tips before your flight, including information on a serious condition called [Deep Vein Thrombosis](#), please go to [united.com](http://united.com).

#### What you need to know to travel:

- Don't forget to check in for your flight(s) 24 hours before your trip on southwest.com or your mobile device. This will secure your boarding position on your flights.
- Southwest Airlines does not have assigned seats, so you can choose your seat when you board the plane. You will be assigned a boarding position based on your checkin time. The earlier you check in, within 24 hours of your flight, the earlier you get to board.

#### Remember to be in the gate area on time and ready to board:

- 30 minutes prior to scheduled departure time: We may begin boarding as early as 30 minutes prior to your flight's scheduled departure time. We encourage all passengers to plan to arrive in the gate area no later than this time.

- 10 minutes prior to scheduled departure time: All passengers must obtain their boarding passes and be in the gate area available for boarding at least 10 minutes prior to your flight's scheduled departure time. If not, Southwest may cancel your reserved space and you will not be eligible for denied boarding compensation.
- If you do not plan to travel on your flight: In accordance with Southwest's No Show Policy, you must notify Southwest at least 10 minutes prior to your flight's scheduled departure if you do not plan to travel on the flight. ### IMPORTANT CONSUMER NOTICES

- **Notice of Baggage Liability Limitations** - For domestic travel between points within the United States (except for domestic portions of international journeys), United's liability for loss of, damage to, or delay in delivery of a customer's checked baggage is limited to \$3,500 per ticketed customer unless a higher value is declared in advance and additional charges are paid (not applicable to wheelchairs or other assistive devices). For such travel, United assumes no liability for high value, fragile, perishable, or otherwise excluded items; excess valuation may not be declared on certain types of valuable articles. Further information may be obtained from the carrier. For international travel governed by the Warsaw Convention (including the domestic portions of the trip), maximum liability is approximately 640 USD per bag for checked baggage, and 400 USD per passenger for unchecked baggage. For international travel governed by the Montreal Convention (including the domestic portions of the trip), maximum liability is 1,131 SDRs per passenger for baggage, whether checked or unchecked. For baggage lost, delayed, or damaged in connection with domestic travel, United requires that customers provide preliminary notice within 24 hours after arrival of the flight on which the baggage was or was to be transported and submit a written claim within 45 days of the flight. For baggage damaged or delayed in connection with most international travel (including domestic portions of international journeys), the Montreal Convention and United require customers to provide carriers written notice as follows: (a) for damaged baggage, within seven days from the date of receipt of the damaged baggage; (b) for delayed baggage, within 21 days from the date the baggage should have been returned to

the customer. Please refer to Rule 28 of United's Contract of Carriage for important information relating to baggage and other limitations of liability.

- **Notice of Incorporated Terms** - Transportation is subject to the terms and conditions of United's Contract of Carriage, which are incorporated herein by reference. Incorporated terms may include, but are not limited to: 1. Limits on liability for personal injury or death of the customer, and for loss, damage, or delay of goods and baggage, including high value, fragile, perishable, or otherwise excluded items. 2. Claims restrictions, including time periods within which customers must file a claim or bring an action against the carrier. 3. Rights of the carrier to change terms of the contract. 4. Rules about reconfirmation of reservations, check-in times, and refusal to carry. 5. Rights of the carrier and limits on liability for delay or failure to perform service, including schedule changes, substitution of an alternate air carrier or aircraft, and rerouting. The full text of United's Contract of Carriage is available at [united.com](http://united.com) or you may request a copy at any United ticket counter. Passengers have the right, upon request at any location where United's tickets are sold within the United States, to receive free of charge by mail or other delivery service the full text of United's Contract of Carriage.
- **Notice of Certain Terms** - If you have purchased a restricted ticket, depending on the rules applicable to the fare paid, one or more restrictions including, but not limited to, the following may apply to your travel: (1) the ticket may not be refundable but can be exchanged for a fee for another restricted fare ticket meeting all the rules/restrictions of the original ticket (including the payment of any difference in fares); (2) a fee may apply for changing/canceling reservations; or (3) travel may be restricted to specific flights and/ or times and a minimum and/or maximum stay may be required. United reserves the right to refuse carriage to any person who has acquired a ticket in violation of any United tariffs, rules, or regulations, or in violation of any applicable national, federal, state, or local law, order, regulation, or ordinance. Notwithstanding the foregoing, you are entitled to a full refund if you cancel a ticket purchased at least a week prior to departure within 24 hours of purchase.
- **Notice of Boarding Times** - For Domestic flights, customers must be at the boarding gate at least 15 minutes prior to scheduled departure. For International flights, customers must be at the boarding gate at least 30 minutes prior to scheduled departure. The time limits provided by United in this Notice are minimum time requirements. Customer and baggage processing times may differ from airport to airport. Please visit [united.com](http://united.com) for information regarding airport-specific boarding times. It is the customer's responsibility to arrive at the airport with enough time to complete check-in, baggage, and security screening processes within these minimum time limits. Please be sure to check flight information monitors for the correct boarding gate and the departure time of your flight. Failure to be at the boarding gate by the required time could result in the loss of your seat without compensation, regardless of whether you are already checked in or have a confirmed seat and boarding pass.
- **Advice to International Passengers on Carrier Liability** - Passengers on a journey involving an ultimate destination or a stop in a country other than the country of departure are advised that international treaties known as the Montreal Convention, or its predecessor, the Warsaw Convention, including its amendments, may apply to the entire journey, including any portion thereof within a country. For such passengers, the treaty, including contracts of carriage embodied in applicable tariffs, governs, and may limit the liability of the Carrier in respect of death or injury to passengers, and for destruction or loss of, or damage to, baggage, and for delay of passengers and baggage.
- **Notice - Overbooking of Flights** - Airline flights may be overbooked, and there is a slight chance that a seat will not be available on a flight for which a person has a confirmed reservation. If the flight is overbooked, no one will be denied a seat until airline personnel first ask for volunteers willing to give up their reservation in exchange for compensation of the airline's choosing. If there are not enough volunteers, the airline will deny boarding to other persons in accordance with its particular boarding priority. With few exceptions, including failure to comply with the carrier's check-in deadlines, which are available upon request from the air carrier, persons, denied boarding involuntarily are entitled to compensation. The complete rules for the payment of compensation and each airline's boarding priorities are available at all airport ticket counters and boarding locations. *Some airlines do not apply these consumer protections to travel from some foreign countries, although other consumer protections may be available. Check with your airline or your travel agent.*
